

## TECHNICAL DATA SHEET

**BULK BAG LIFTER (SLIP-ON - HOOK) - 2000KG**

**FJA-19-210**

### DESCRIPTION

The Slip-On Bulk Bag Jib attachment is designed with 4 lifting hooks to handle standard Bulk Bags.

The straps of bulk bags are fastened to the four hooks in either corner of the spreader frame preventing the Bulk Bag from folding in on itself or bunching up as the bag is emptied.

### FEATURES

- Includes certification plates, Manual and Certificate.
- A safety chain is supplied to secure the bag lifter to the fork carriage and four heavy duty swivel hooks.
- Finished in a safety yellow paint.
