

TECHNICAL DATA SHEET

MAN CAGE - 250KG

MODEL: FMC-19-120

DESCRIPTION

The 250kg Forklift Man Cage has been designed for forklift use to safely carry out tasks of short duration and occasional usage such as maintenance work or stock-take.

FEATURES

- ☐ Suitable for a maximum of two persons
- ☐ The cage is supplied with slipper locking pins and two harness anchor points in the floor of the cage
- ☐ It also has a handy tool tray across the back to keep the floor clear
- ☐ Zinc Coated standard finish
- ☐ This is delivered flat packed and requires approximately 20 minutes assembly.
