

TECHNICAL DATA SHEET

FORWARD BIN TIPPER (LIGHT DUTY) - 1000KG

FBT-ST-1000C

DESCRIPTION

These forward bin tippers have a working load limit of 1000kg and fit standard forklift tines up to 1070mm x 45mm x 125mm. The Nally forward bin tippers are great for both produce storage and accessibility.

They create a simple hassle-free job when emptying and stacking storage bins.

FEATURES

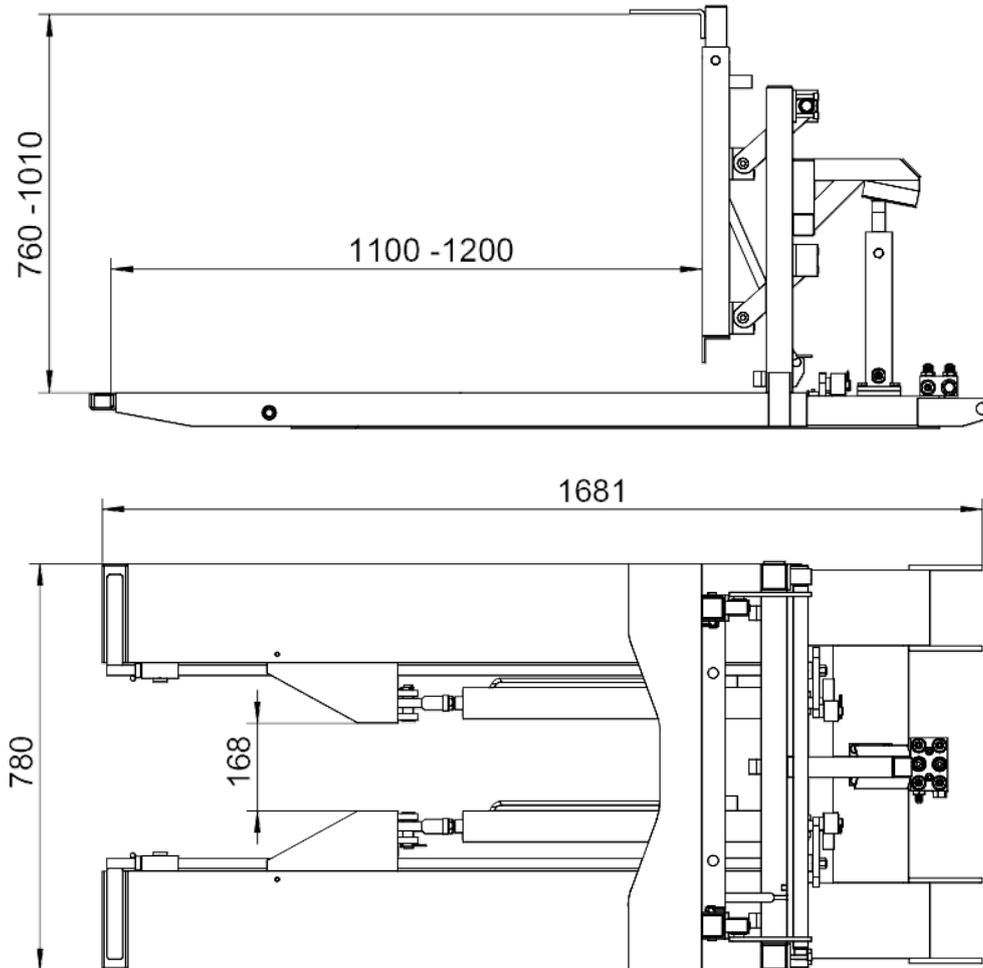

- ❑ Fast controlled hydraulic tipping action
- ❑ Quick and easy fitting or removal from forklift
- ❑ Minimal loss of forklift load capacity
- ❑ 135 degree forward rotation ensures complete emptying of bin
- ❑ Operator does not leave forklift seat
- ❑ Suitable for a wide range of cubic bin sizes and types: 1100-1180(L) x 600-800(H)
- ❑ Safety catch to prevent tipping if bin is not correctly on tines
- ❑ Powder coat finish.
