

Long Jib 7500kg

FJA-19-751

The FJA-19-751 Fixed Jib (Long) is designed as an affordable general-purpose Jib suitable for larger forklifts with a 3.56m reach when fully extended, allowing for long reach lifts.

This Jib has been fitted with wide fork pockets suitable for forklifts with special hydraulic tine positioners. Simply slide onto the fork tines and secure with safety chain.

The unit comes in a galvanized coat and includes a manual/certificate, safety chain and swivel hook.

Manufactured strictly in accordance with AS/NZS 2359.1
