

## TECHNICAL DATA SHEET

BALKEN G2 ELECTRIC TROLLEY - SINGLE SPEED

MODEL: DET-XXX

### DESCRIPTION

Balken Generation 2 - Industrial 400V Single Speed Electric Trolley with a 250kg - 5000kg capacity.

### FEATURES

- ❑ Balken Generation 2 Electric Trolley manufactured for Stratalign by Delta Hoists, Netherlands.
- ❑ Built to European Standard Machinery Directive 2006/42/EC. Supplied with test certificate, CE declaration of conformity and operating instructions.
- ❑ Made to the EU Electrical Safety Standard BS EN 60204-32:2008
- ❑ Design Verified by NZ registered Chartered Professional Engineer.
- ❑ Electric trolley is IP54 rated.
- ❑ Balance support wheels enable smooth travelling along the beam
- ❑ Safety bars serve as fall, breaking and impact protection. Additionally equipped with tilting protection.
- ❑ Permanently lubricated, ball bearing mounted wheels allow for smooth traversing.
- ❑ Suitable for most I and H beam profiles.
