

TECHNICAL DATA SHEET

WASTE BIN COMPACTOR

MODEL: STFCA-66

DESCRIPTION

Is used compact bulky waste products using a forklift maximising the bin capacity.

FEATURES

- ☒ Suitable for use with a 660L wheelie bin or any larger bins.
- ☒ Eliminates the unsafe practice of treading down loose waste.
- ☒ Slip-on attachment and safety chain for quick connection to a forklift.
- ☒ Increased bin capacity helps lower waste removal costs
- ☒ Finish: Hot Dipped Galvanised
